

# PANTALL

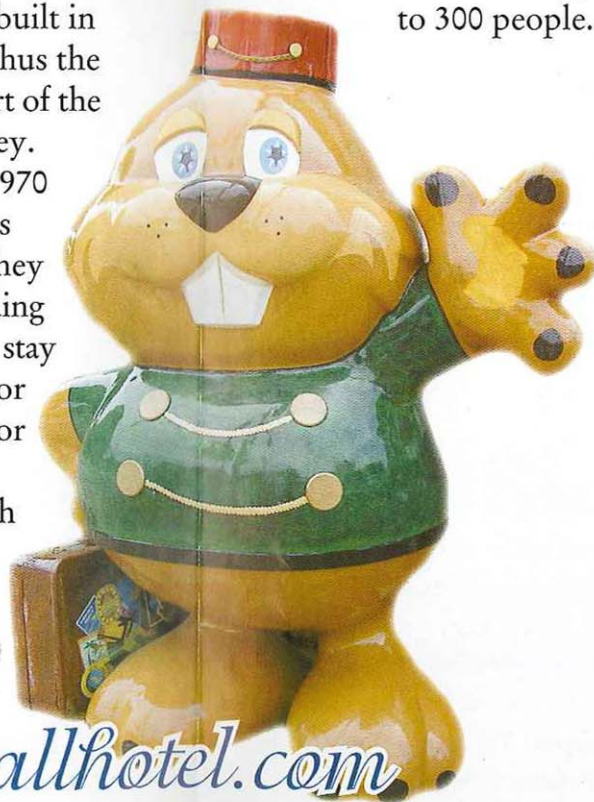

## and Conference Center

Rooms from  
**\$49 to \$95**  
(SINGLE)

Five meeting rooms available with banquet and meeting facilities to accommodate up to 300 people.

The Pantall Hotel was built in 1888 by Theo Pantall, thus the name. It is definitely part of the history of Punxsutawney. Renovations began in 1970 with the current owners and are now finished; they literally rebuilt the building and it is beautiful. Come stay in one of the 75 rooms or stop in and have lunch or dinner in The Coach Room Restaurant which has been a popular dining spot for years.
